

The poor would be seen coming up the mountain, twenty strong, with sacks and jugs to carry home, bread, milk, and other substantial foods which their benefactress would provide.

Foundress

Mother Maria Anna Brunner, God gifted you with the realization of a great love for all creation, all humanity, manifested in the shedding of Jesus' Precious Blood. Filled with the spirit, you surrendered yourself to God's will. In your compassion, you responded to the needs of the time, witnessing to Jesus' redemptive, unconditional love.

Intercede with God for us,
Mother Brunner, as we place for
you these requests...

We make this prayer in faith and
in accordance with God's will.

Amen
